

ABOUT US

Lake Icaria was completed in 1978 and its name was derived from a French colony that settled in the area. Conveniently located in southwest Iowa it is 90 miles southwest of Des Moines, 90 miles southeast of Omaha/Council Bluffs, and 90 miles north of St Joseph makes it an ideal weekend trip. The 650-acre lake provides all-day activities like fishing, water skiing, and tubing. Adams County Conservation Board invites a visit to mycountyparks.com to plan your next trip to explore the outdoors of Lake Icaria.
