### **AFTERNOON ACTIVITIES      3:00 – 5:00PM**

- **Fish Cleaning Demonstration: 3:00pm and 4:00pm - IDNR Andy Jansen**

Join Andy and learn how to take your fishing game to the next level. Andy will give the fish cleaning demonstration twice, so make sure you catch him at either of his sessions to learn more about what to do with that fish once you take it off the hook!

- **Bald Eagle Presentation (LIVE Bald Eagle): 3:30pm – SOAR Kay Neumann**

Do not miss your only opportunity to see a live bald eagle and learn all about this incredible raptor. Save Our Avian Resources will provide an educational session on bald eagles and their work with these amazing creatures.

- **Atlatls: Come and Go 3 – 5pm: University of Iowa Jay Gorsch**

Come on out to try your hand at the primitive spear hunting tool, the atlatl! Spear-throwers appear very early in human history throughout the world and have been revived in recent years for sporting purposes.

- **Settler History Presentation: Come and Go 3 – 5pm: Border Regulators**

Visit the Border Regulators for a historical presentation of settler life, hunting, weaponry and furs! Stop by to view what a typical cowboy camp of their time would have been like and immerse yourself into pioneer life.

- **Antler Buttons: Come and Go 3 – 5pm: Decatur CCB Kayla Clausen**

Make your own antler button! Learn to use spinning tools like they once used to make holes in buttons. Fun for all ages!
