

## **Authorization to Administer Medication**

For children who need to take over-the-counter or prescription medications during BHCC programs, this form needs to be completed in entirety by a parent/guardian *and* physician before any medication can be given by staff members, **even over-the-counter medications.** If the form is incomplete or not on file, the parent will need to return to the BHCC program to administer the medication regardless of the age of the child.

Parents, please complete this sec	<u>tion.</u>	
The parent or guardian of		ask that the BHCC staff give the
following medication	at	to my child,
according to the health care provi	ders signed instructions on th	e lower part of this form.
Prescription medications must come in the o medication is to be given, dosage, and the da Pharmacy name and phone number must also to be kept at program location. Over-the-cousigned health care provider authorization and	te the medication is to be stopped and to be included on the label. Ask your ph unter medications must be labeled with	a licensed health care provider's name. armacist for a separate medication bottle the child's name. Dosage must match the
By signing this document, I give pe	ermission for my child's healt	h care provider to share
information about the administrat	tion of this medication with B	HCC staff.
