for more information call Green Valley State Park Ranger 641-782-5131

For more information about Green Valley State Park contact the park office at 641-782-5131 or e-mail at Green_Valley@iowa.dnr.gov. You can also check out the park on-line at iowa.dnr.gov. Go to the Destinations tab along the top of the page then go to State Parks.

Cabins, picnic shelters and 50 percent of the campsites can be reserved on-line by going to iowastateparks.reserveamerica.com or by calling toll-free 1-877-427-2757. Cabins can be reserved up to one year in advance and campsites can be reserved up to 3 months in advance.

The single room cabins have electricity, heat/air conditioning, a covered porch, a futon, bunk beds, microwave, small refrigerator and table and chairs. Visitors must provide their own bedding, towels, cooking utensils and other camping items. Cabin renters may use the shower and restroom facilities in the adjacent campground. The cabins are available from April 15th to October 15th.

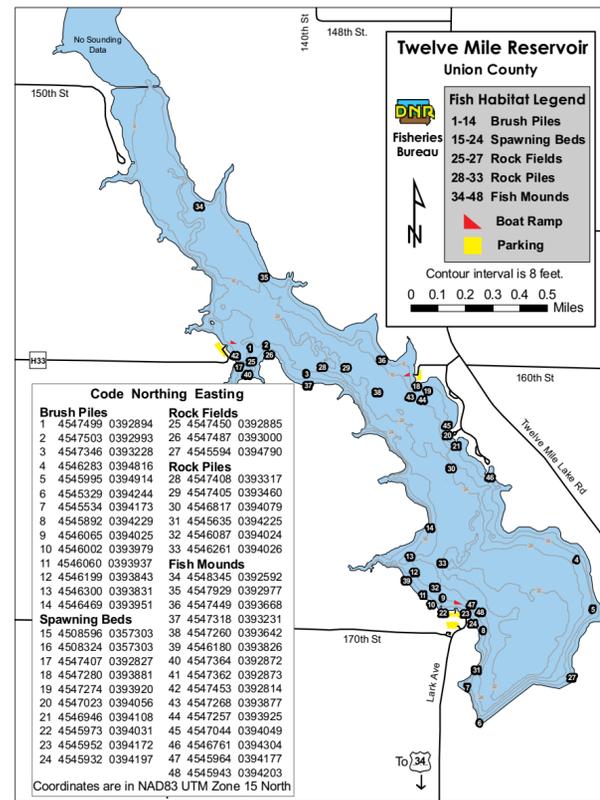

A swimming beach, all types of boating, water skiing and speed boating are allowed in a designated area. Sorry, no jet boats or jet skis are allowed. Four boat ramps on Green Valley provide convenient lake access.

A nearly 7-mile grass surfaced trail encircling the lake provide hikers, cross-country skiers and mountain bikes excellent opportunities to investigate the 1,060-acre park and enjoy its variety of wildlife and native plants. On the west side of the dam a 3.5 mile hard-surface extension connecting the current trail from Creston to the campground is scheduled to be completed in 2015. When completed this 8.5 mile trail will guide you to beautiful McKinley Park in the heart of Creston to Green Valley State Park Campground.

The 100 site campground was renovated in 2009 and is one of the more popular camping areas in Iowa. 83 sites have electricity with 50 amp service and of those 18 are full-hookup sites with water and sewer available. The remaining 17 sites are non-electric sites. There is also a primitive "youth group site" that is available for Scouts and other youth organizations. Three seasonal camping cabins are located along the lakeshore. The rustic pine log cabins offer a comfortable overnight experience for those without an RV, but want something more than a tent.

12 Mile Lake

Located four miles east of Creston, just off U.S. Highway 34, Twelve Mile Lake is 660 acres and is surrounded by 1,000 acres of upland game habitat. Prairie woodlands above the lake are open to in-season hunting of whitetail deer, wild turkey, pheasant and other upland species.

Channel catfish, walleye, crappie, bluegill and bass offer angling opportunities year around. Shoreline access is available through three boat ramps. Boaters may operate at no-wake speeds only. Shallow shoreline areas offer excellent duck and goose hunting.

Summit Lake

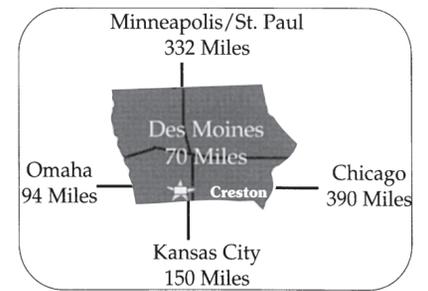

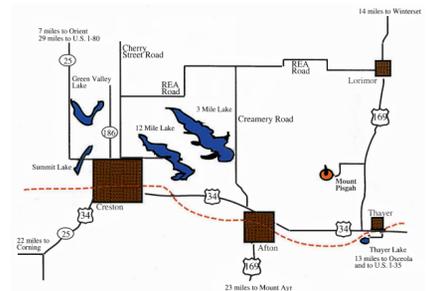

Summit Lake offers prize catches of channel catfish along with crappie, largemouth bass and bluegill. A concrete boat ramp just off the Summit Lake Bridge on State Highway 25, offers easy all-weather access for fishermen.

Mitchell Marsh, a large wetland area at the upper end of the lake, provides excellent waterfowl habitat and in-season hunting.

Welcome to Union County, Iowa

Union County's High Lakes offer an array of outdoor recreational opportunities unmatched in south central Iowa. Over 2,100 acres of water including five lakes and over 6,090 acres of publicly owned parks, woodlands, prairie, and wetlands all conveniently located within a 25 mile radius. Come, Enjoy, and return soon.
