Mentored Deer Hunt

**November 1-4, 2012
Lake Ahquabi State Park**

www.warrencb.org

Promoting an appreciation of the outdoors through education and involvement to improve the quality of life in Iowa and ensure a legacy for future generations.

THE EVENT

Designed to give inexperienced deer hunters a hands-on introduction to the sport of deer hunting, the Mentored Deer Hunt includes the opportunity to harvest a deer within Lake Ahquabi State Park with the assistance of a mentor.

A multitude of topics are covered to make participants feel comfortable and safe hunting deer in Iowa. Topics covered include deer biology/management, deer hunting equipment/methods, laws, safety, field dressing and game processing. Gun range time is included.

FACILITY

The Mentored Deer Hunt is headquartered at Warren County Conservation Board's Annett Nature Center and neighboring Lake Ahquabi State Park south of Indianola. The diverse habitats of the area make it an ideal location for this opportunity.

AGENDA

The program starts at 6:15 pm on Thursday, November 1st, with educational programs that evening, Friday evening and Saturday morning. On Saturday mid-morning we will start hunting in the park and continue hunting on Sunday.

MENTORS

A mentor can be a relative, friend of the hunter or assigned from our group of volunteers. Those interested in mentoring should fill out the registration contact information to volunteer. This is a great opportunity to share your experience with a novice hunter. A mentor must be 18 years of age or older and must have a valid Iowa hunting license and habitat fee.

TO REGISTER

Hunters must have successfully completed a certified hunter safety course. Fill out and return the form on the back of this brochure. The registration fee is \$40 per hunter, which covers one resident deer tag for the park hunt, all meals, instructors, and materials for the hunter. If the hunter is 16 years of age or older they will also be required to have an Iowa hunting license and habitat fee, which will be available for purchase on Friday night. The mentor participates at no charge. Registration deadlines:

Monday, October 17 (if you need a mentor assigned)

Monday, October 31 (if you have a mentor)

WHAT DO I DO WITH THE DEER?

After harvesting a deer, Milo Locker will be available if you would like to have it processed, donate it to the HUSH program, or you may take it home to process it yourself.
