

Okoboji Gold Disc Golf Course Sponsorship and Donation Form Kenue Park - Okoboji, Iowa

A local group of disc golf enthusiasts are working with the Dickinson County Conservation Board (DCCB) to plan and construct an 18-hole professional disc golf course in Kenue Park near the Dickinson County Nature Center. This 18-hole Disc Golf Course will be free to the public and provide outstanding outdoor recreation in nature for families, local schools, and become a major attraction for visitors to our area.
